STARTING 1-1-18

There will be no more month to month billing -only yearly. This should make it easier for all of us.

* REFERRAL PROGRAM

Recieve one free month for each outdoor space you refer. There is no limit to how many referrals you can have. Note vehicle must be year 1997 or newer.

Exciting New Changes

We have made several steps in providing more ammentities. These include a dump station, firewood, ice , propane in spring and the relocation of the free vacuum, air and water.

Straight aways have been filled and graded with gravel. Fred Watkins is your main point of contact and can be reached at (313) 995-6295 cell or the office at (313) 383-7700.

Tips

When parking please stay in your own parking spot. Dumpster is available for small personal trash. Please no large items.
